

Rules for PTMS Math League Meetings

Respect for Parent Volunteers/Guest Lecturers

- Students will respect the authority of parent volunteers or any guest lecturers
- Students will be quiet during lectures/lessons unless they are called on or are working with other students on Math League material
- Students will not pester, bully, or harm other students before, during, or after any meeting or lecture
- Parent Volunteers have the authority to remove any student out of the classroom after two or more warnings
- Parent Volunteers can report students who misbehave

A student who violates these rules multiple times jeopardizes his or her chances regarding MathCounts Team Selection and may be removed from PTMS Math League entirely.

I, _____, have read and understand the rules for PTMS Math League meetings.
